**New York, March 11, 2015:** The Hundred Year Association has selected The Actors Fund (1882) on the occasion of its One Hundred and Thirty Third Anniversary as this year's recipient of the Richard A. Presented to remarkable leaders and organizations, the award has been granted every year since 1930 (except during WWII) "in recognition of outstanding contributions to the City of New York."

**Brian Stokes Mitchell**, Chairman of The Actors Fund will accept the Award during the fundraising event on Monday, March 23, 2015 at the iconic Sardi's Restaurant. Mitchell will be joined onstage for a special performance by the Broadway Youth Ensemble, a group of young professionals with over 40 Broadway shows, national tours and recordings to their credit. The Ensemble - led by veteran theatre professional Joe Baker - will perform a "Thank You" medley and "Salute to NYC".

Mr. Mitchell said of the Award, "We appreciate this special recognition as we maintain our founder's commitment to support our colleagues in need, including everyone working in front of and behind the scenes in the performing arts."

The Actors Fund is a humanitarian organization that has served the entertainment community for more than one hundred and thirty years. It has supported the profession through a number of assistance programs and initiatives; like The Howl Emergency Life Project (HELP) which provides financial assistance and social service support, The Actors Fund Housing Development Corporation which develops affordable, supportive and senior housing and "Looking Ahead" which advises younger performers on how to plan for their future. The Actors Fund continues to be a safety net and center of support for all those in entertainment.

"The Actors Fund serves as an important part in service to the entertainment industry in New York City. They provide support to a community that helps to define New York City's character," said Hundred Year Association President, Clinton Blume. "We are proud to honor The Actors Fund with the 80th Richard A. Cook Gold Medal Award."

The contributions raised at this year's event will help support the Hundred Year Association and its Award programs. The Association's award programs include the Isaac Liberman Public Service Awards which recognizes superior performance and public service by career municipal city employees and the E. Virgil Conway College Scholar Awards which acknowledge academic excellence and community service by the son and daughters of career city employees.

Notable past recipients of the Gold Medal Award include entertainers Oscar Hammerstein, Richard Rodgers and Tony Randall; civic leaders Robert Moses, E. Virgil Conway and Ray Kelly; Mayors Fiorello LaGuardia, Robert Wagner, Rudy Giuliani and Michael Bloomberg; and three generations of Rockefellers, most recently the STV Group and The Hotel Association of New York.
