

Viral Launch

Plant your flag at the top of search results, conquer platform algorithms and stay ahead of the competition.

Competing in an ever-changing market can be tough. Viral Launch will help take your business to new heights. We provide your brand with the tools, resources and lasting strategies it needs to launch new products and grow your business. Cazzmo delivers in-depth market research and analysis, hyper-relevant search term solutions and leverages the latest data to maintaining high-performing listings.

We get to know each brand and what makes it stand out so that our team can implement more meaningful brand strategies and tap into each brand's reach potential.

Fulfillment Services

Success shouldn't catch you by surprise. Fulfill your orders, large or small with no service interruptions.

Big opportunities don't come around often. As an entrepreneur, you should be able to take advantage of these moments and scale your business as needed. After working hard to grow your brand and increase sales, logistics shouldn't be the thing that holds you back.

We help scale your order process and provide customized fulfillment solutions so when your business gets going you won't be left behind. We'll pickup, pack and ship all of your orders daily at no hassle to you. Get products to your customers on time and without costly service interruptions.

Guerilla Marketing

Show off your products to the world. Get in touch with your audience. Introduce your brand to industry leaders.

Our Guerilla Marketing service is a great way to leave a memorable impression on potential buyers. We work with brands to help tell their stories in creative and original ways that connects with their audience.

Whether it's a product display at an industry conference or live demonstrations at a state fair, Cazzmo has the experience to expertly execute your marketing needs while staying true to your brand's image. Let us help develop a unique space for customers to interact with your products and experience your brand live.

Distribution

We've got the access. Launch your brand the right way, in some of the largest retail stores worldwide.

Get your brand in front of millions of potential buyers. We work with each retailer to ensure your brand is launched the right way, with a team of experienced marketing experts who know your brand and its goals. We maintain all the logistics, planning, inventory and distribution. This allows you to take full advantage of market trends without worrying if you'll have enough in stock to fill orders.

Our Distribution service allows you to introduce your brand to over 72 countries. We understand the unique needs of entrepreneurs, so whether you're launching a new product or establishing a small business, Cazzmo can give you the space to grow with the best resources at your side.

Invention Development

Let's think, Let's create, Lets do, Let's Launch!

We are here for all of the passionate creators and innovators, with brilliant ideas and a need to introduce it to the world. Cazzmo works closely with you to transform your concept into a tangible product. We can create mockups, test products and manage the proper patenting and licensing needed to launch a great idea.

Cazzmo has always been emboldened by the inventors, builders and trailblazers that help define new markets and blow old ones out of the water. The first step is submitting your idea!

Creative Services

Present your brand to the universe.

Give your idea some rocket fuel with a team of design experts at your fingertips! Developing a great strategy is just as important as building a killer creative. We create engaging designs and creative concepts that best captures your brand's identity and gets it noticed. From creative briefs and layouts to color palettes to typeface design, we get into the nitty gritty of what make a memorable brand experience.
